

# March and Blossoms

March is here, the **blossoms** bloom,  
Pink and white, a sweet perfume!  
Cherry trees so bright, so fair,  
**Spring** is waking everywhere!

**Flowers** bloom, the **breeze** is light,  
**Petals** dancing in the bright sunlight.  
Under trees, we laugh and play,  
March has brought a joyful day!

Birds are singing, skies are blue,  
Every day feels fresh and new.  
Take a walk, come out and see,  
March is full of harmony!
