Off to See the Doctor

Going to the **doctor**, it's okay,
Check your health, feel great today!
Listen to your **heartbeat**, take a peek,
Say "Ahhh," smile, and speak!

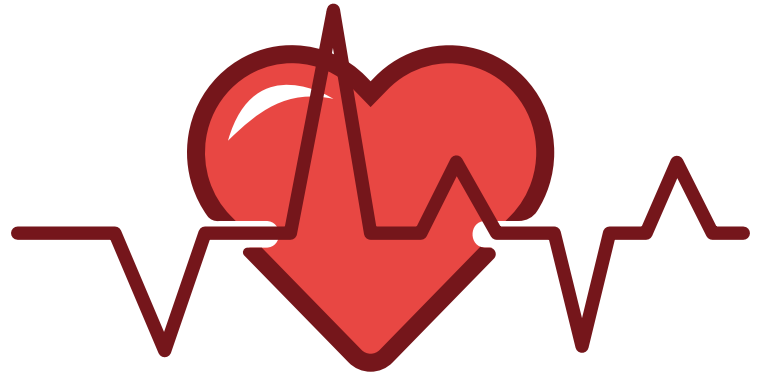

Doctor checks my **height** and **weight**,
Takes my temp, "You're doing great!"
Looks in my ears, and checks my eyes,
I'm brave and smart, no surprise!

Roll up **sleeves** for a little poke,
Quick and easy, that's no joke!
Doctor smiles, "You're strong and bright,"
Gives a sticker, I'm alright!
