

Hee Hee Hee

It's okay

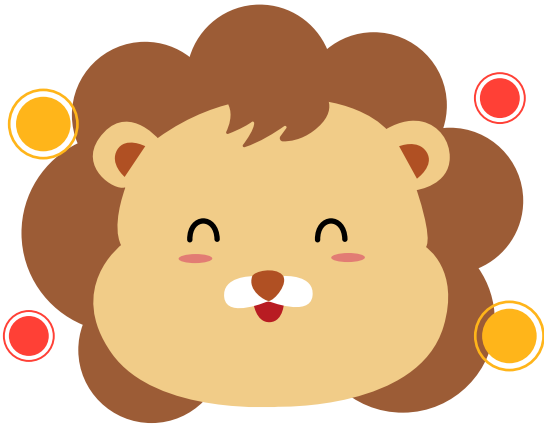

Happy and Sad

I feel **happy**, Ha, Ha, Ha,
I feel **sad**, Woo, Woo, Woo.
Smile so big, you'll see!
Happy, happy, Hee Hee Hee

Things go right and things are fine,
I feel **happy** all the time.
I **laugh** and play, it's just so fun,
Happy, happy, everyone!

When things don't go my way,
I might feel **sad** today.
It's okay to **feel** this way,
Sad, sad, but it's okay!
