

Sunny, rainy, snow or breeze,
Weather changes, come and see!
Clouds and **storms**, the sky turns gray,
Or bright blue skies for us to play!

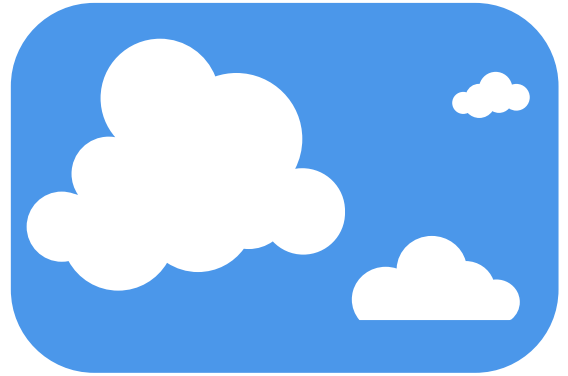

When it's sunny, out we go,
Feel the warmth, the sun's aglow!
Wear your hat, the sky is bright,
Perfect day, the **weather's** right!

When it rains, the drops come down,
Jump in **puddles** all around!
Grab your boots and **raincoat** too,
Rainy days are fun for you!
