

# Stop, Look and Go

Stop, look, and go, oh so neat,  
That's how we cross the **street**!  
Red, yellow, green, **lights** that glow,  
Follow them and then we go!

When it's red, we have to wait,  
Yellow's next, don't go, just stay!  
Green says go, but check each way,  
**Safety** first every day!

Hold a hand, don't walk alone,  
Stay on **sidewalks**, leave your phone.  
Look both ways and walk, don't run,  
**Crossing** safe is so much fun!
