Seven Days a Week

Monday starts the week oh hey
So much fun it's here to stay
Tuesday follows right behind
Every day is quite a find

Monday Tuesday Wednesday go
Thursday Friday ebb and flow
Saturday we laugh and play
Sunday is our favorite day

Wednesday brings a midweek cheer
Time for fun as weekend's near
Thursday's almost at the door
Friday we can shout for more

Saturday we jump and run
Our adventures just begun
Sunday's here we're feeling blessed
That's the day Sion loves the best
