

August for Back to School

August days, it's time to learn,
New **adventures** at every turn!
Pack your bag, it's super cool,
August means back to school!

Pencils, books, **crayons** bright,
Write your name, it feels just right.
Meet new friends and play all day,
August fun is here to stay!

Teachers help us try our best,
Math and art, we'll pass the test.
Sing and laugh, we're on our way,
August brings a brand-new day!
