

May and Mother's Day

May is here, so warm, so bright,
Hearts are filled with love and light.
Mother's Day, let's show we care,
Smiles and **hugs** are everywhere!

Pick some **flowers**, pink and blue,
Make a card with love so true.
Thank you, Mom, for all you do,
You're the best, we love you too!

Sing a song, bake something sweet,
Celebrate with joy complete.
Moms are special every way,
Let's make this a happy day!
