

Four Seasons Fun

Winter, spring, summer, fall,
Four seasons, we love them all!
Winter, spring, summer, fall,
So much fun, big or small!

Winter's cold, with snow so white,
We build **snowmen**, what a sight!
Spring brings flowers, green and new,
Rain and sunshine, skies so blue!

Summer's hot, we swim and play,
Long, warm nights and sunny days!
Fall brings leaves, red, gold, and brown,
Watch them twirl and tumble down!
