

Sharing Fun

Sharing is fun, it's what we do,
Sharing is **kind** for me and you.
Take a turn, let's all play,
Sharing brightens every day!

Got a **toy** or block to **share**,
Passing things shows that we **care**.
Sharing with a friend today,
Makes us smile as we play!

Playing games, we take our turn,
Sharing is the way we learn.
When we **share**, it feels so right,
Friends together, hearts so **bright**!
