

Wash Those Germs Away

Wash your **hands**, **scrub** all around,
Keep them clean, don't let them down!
Front and back, **fingers** and **thumbs**,
Clean them up and watch them shine!

Wash, **wash**, **wash**, it's fun to do,
Soap and water, me and you!
Wash, **wash**, **wash**, every day,
Wash those germs away!

Turn the tap and let it flow,
Scrub your **hands**, let bubbles grow!
Don't forget between each **hand**,
Wash them well, now that's the plan!
