

# Rain and Rainbow Fun

**Raindrops** falling, tap-tap-tap,  
**Puddles splashing**, flip-flop-flap!  
Rainy days bring colors bright,  
Rainbows shining in the light!

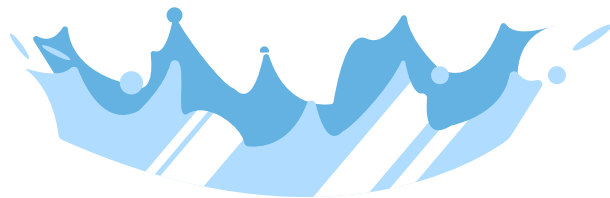

Grab your **boots**, let's go play,  
Jump in **puddles** all the way!  
Rain may fall, but that's okay,  
Rainbows come to make our day!

Red and orange, yellow too,  
Green and blue, a purple hue!  
After rain, they fill the sky,  
Rainbows make us smile so high!
