

## July Fun

July is here, let's shout hooray,  
Summer fun is here to stay!  
To the **beach**, we run and play,  
Splash and laugh the day away!

Pack your **towel**, grab your hat,  
Build a **castle**, just like that!  
Feel the sand between your toes,  
July's the best, everybody knows!

Swim in waves, the water's cool,  
Jump and **float** like we're at school.  
Sunny skies and **ocean** breeze,  
July is perfect, full of ease!
