

Move and Jump with Sion

Move, move, move, side to side
Jump, jump, jump, arms up wide
Spin, spin, spin, round we go
Dancing with Sion, let it show!

Kion **hops**, then takes a bow
Sion **stomps**, look at him now!
Step to the left, step to the right
Dancing together feels so bright!

Twist your hips, then touch your toes
Wave your hands, strike a pose!
Laugh and cheer, the fun won't end
Dancing all day with our best friends!
