

# Head, Shoulders, Knees and Toes, Let's Go!

Touch your **head**, tap, tap, tap  
Clap your **hands**, clap, clap, clap  
Bend your **knees**, jump, jump, jump  
Let's all dance, bump, bump, bump!

Blink your **eyes**, can you see?  
Touch your **ears**, just like me!  
Spin around, give a clap,  
Now let's do it just like that!

Touch your back, stomp your feet,  
Wave your **hands**, feel the beat!  
Jump around, shake your legs,  
Dance together, everyone!
